REPLY TO RESTRICTION REQUIREMENT

In reply to the Restriction Requirement that was mailed in connection with the above-captioned case on March 27, 2006, Applicants elect to pursue claims directed to a method of treating an actinic keratosis by administering a polyphenol isolated from tea and the species, isopropyl myristate as an additive, ointment as a carrier for administration, and curettage as the anticancer treatment. The claims reading on the elected invention and elected species are claims 1-27. The election is made without

traverse.

If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,
